Notes to the Group's Income Statement:

(1) Profit before taxation includes the following:

	:	The Group Three months ended				
		31 March

	•	S\$'000	S\$'000

Net exchange gain/(loss)	1	1,224	(1,156)			

- Other operating income, comprising mainly interest income, net exchange gain, unrealised gain on equities held for trading, profit on sale of property, plant and equipment and miscellaneous income, decreased by \$34.8 million to \$14.7 million (2005: \$49.5 million) mainly due to business interruption insurance proceeds of £12.8 million (approximately S\$39.8 million) received in 2005 in respect of the Millenium Hilton New York, a hotel held by its subsidiary, Millennium & Copthorne Hotels plc. This has been partially offset by an increase in unrealised gain on equities held for trading of \$2.5 million to \$3.3 million (2005: \$0.8 million).
- (3) Administrative expenses comprise mainly depreciation, hotel administrative expenses, and salaries and related expenses.
- Other operating expenses comprise mainly property taxes and insurance on hotels, hotel other operating expenses and professional fees. This increased by \$7.0 million to \$100.5 million (2005: \$93.5 million) mainly on account of higher utilities, property taxes and salaries for the hotel division which was in line with the increase in its revenue.
- (5) Finance costs comprise interest on borrowings of \$33.9 million (2005: \$35.4 million), fair value loss on investments (2005: \$0.2 million) and amortisation of transaction costs on borrowings and debt securities \$1.0 million (2005: \$1.4 million).
- (6) Income tax expense for the period is derived at by applying the varying statutory tax rates on the taxable profits/(losses) and taxable/deductible temporary differences of the different countries in which the Group operates.

The effective tax rate for the Group is 25% (2005: 34%). Excluding the underprovision in respect of prior periods, business interruption insurance proceeds and its related tax, the effective tax rate for the Group for 2005 would be 22%.

- 8. A review of the performance of the group, to the extent necessary for a reasonable understanding of the group's business. It must include a discussion of the following:-
 - (a) any significant factors that affected the turnover, costs, and earnings of the group for the current financial period reported on, including (where applicable) seasonal or cyclical factors; and
 - (b) any material factors that affected the cash flow, working capital, assets or liabilities of the group during the current financial period reported on.

Group Performance

For the first quarter of the year, the Group reported revenue of \$541.4 million (2005: \$518.0 million). Gross profit increased by 10% to \$287.6 million (restated 2005: \$262.0 million). Profit before taxation amounted to \$75.9 million (restated 2005: \$92.1 million). Higher profit achieved in Q1 2005 was mainly due to the positive one-off effect of £12.8 million (approximately S\$39.8 million) in other operating income which relates to proceeds received from the September 11 2001 insurance claim by its hotel subsidiary, Millennium & Copthorne Hotels plc ("M&C"). Excluding this one-off insurance receipt in 2005, profit before taxation for Q1 2006 would have increased by 45% to \$75.9 million (adjusted 2005: \$52.3 million).

After accounting for taxation and minority interests, attributable profit increased to \$41.2 million (restated 2005: \$40.3 million). Excluding the one-off insurance receipt in 2005, attributable profit after taxation and minority interests for Q1 2005 would have been \$29.3 million. When compared against the attributable profit for Q1 2006 of \$41.2 million, this would have resulted in an increase of 41%.

Property

The economy grew strongly in Q1 surpassing expectations. The residential property market continued to do well with prices increasing by 1.5% in Q1, the biggest quarterly gain in 5 years.

The Group continued to sell units from its existing projects namely City Square Residences, Savannah CondoPark, Monterey Park and The Pier at Robertson.

Profits were recognised progressively from pre-sold projects such as City Square Residences, The Sail @ Marina Bay and Edelweiss Park. Profits were also recognised from Savannah CondoPark.

Planning for the launch of three high profile projects namely St. Regis Residences, Plot C9 at Sentosa Cove and No. 1 Shenton Way redevelopment are progressing well. They are expected to be marketed soon.

In addition, Residences @ Evelyn is also expected to be launched shortly.

The office market is also performing strongly with rental expecting to increase by 15% to 20% in 2006. Both occupancy and rental rates of the Group have improved in Q1.

As part of the Group's strategic land acquisition policy, it has successfully tendered for a prime, freehold land parcel at Thomson/Balestier Road area. The Group clinched the site for \$156.3 million. Comprising three collective sale developments, it has a combined land area of about 137,500 square feet. This provides the Group with the opportunity to amalgamate the sites for redevelopment. Including the possibility of adjoining remnant state land (to be alienated from Singapore Land Authority), the Group would be able to develop a condominium project with a gross floor area of approximately 490,000 square feet. With a permissible height of 36 storeys, the Group's proposed residential development will be designed to capture the commanding views of the Thomson/Mount Pleasant/MacRitchie area. Given the enlarged site, pending the finalised design configuration, the proposed development is expected to comprise about 350 – 380 apartments.

(REG. NO. 196300316Z)

<u>Hotel</u>

M&C, in which the Group has a 52% interest, had a successful first quarter. It saw increases in revenue and RevPAR. Its group revenue for the quarter was up 16% to £149.9 million (2005: £129.5 million) and its RevPAR was £46.47, an 8.4% year on year improvement at constant rates of exchange. Its hotels in both USA and Singapore were strong performers.

RevPAR of M&C's hotels in Singapore increased by 43.9%, due to good occupancy in February from a major aerospace fair coupled with the group's ability to increase average rates following the completion of the refurbishment programme at Orchard Hotel.

M&C signed a new management contract to operate and manage an all-executive suite Millennium Hotel in Abu Dhabi. This exciting development will comprise 198 furnished apartments with business and sports facilities. This adds to M&C's stable of Middle East management contracts which it has already secured. They include the Millennium Hotel Doha in Qatar, a 238 bedroom, 5-star property scheduled to open in late 2006, the 325 bedroom Millennium Hotel Abu Dhabi, the 115 bedroom Millennium Airport Hotel Dubai and the 259 bedroom Millennium Hotel Sharjah (under franchise).

9. Where a forecast, or a prospect statement, has been previously disclosed to shareholders, any variance between it and the actual results.

The Group's performance for the period under review is in line with its expectations as disclosed in the announcement of results for year ended 31 December 2005.

10. A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting period and the next 12 months.

<u>Property</u>

The economy is expected to do well for 2006 and the earlier projection of 4% to 6% growth should stay for the year.

The Group is putting on the final touches to the prestigious St. Regis Residences show suites and will be launching it soon. This joint venture super luxurious 173-unit development located at the exclusive Tanglin/Tomlinson Road is expected to draw strong response, especially given its current waiting list of potential buyers.

The Group also has in its pipeline plans to launch another two high-end niche developments. First to be launched will be the 264-unit residential waterfront joint venture project at Sentosa Cove (Plot C9). This 15-storey development with an award winning design, superbly located at the gateway of the marina basin, will be the tallest in Sentosa Cove. The waitlist of potential buyers for this premium development has exceeded our expectations.

The second project to be launched will be at No. 1 Shenton Way which will be redeveloped into a proposed 50-storey building comprising about 330 apartments with retail component on its ground floor.

Residences @ Evelyn, a joint venture 208-unit luxurious project at the Newton/Scotts Road area will also be launched soon. It is conveniently located near some of the most prestigious schools and is a five-minute drive away from Orchard Road.

(REG. NO. 196300316Z)

The office sector is expected to continue to do well and rental rates for Q1 have increased by 5% to 8%. At the same time, we are seeing a lot of interests from international funds and investors seeking good office buildings and other commercial investment properties in Singapore.

The Group, through Real Estate Capital Asia Partners, L.P. ("RECAP"), a private real estate fund in which it and The Baupost Group L.L.C. has 49.78% interest each, will shortly be launching Phase 1 of the 600-unit luxurious residential development known as Millennium Residences located at the prime Sukhumvit district, Bangkok.

RECAP has acquired a 95% interest in Phuket Square Company Limited which owns principally about 947,000 square feet of land with an in-construction retail shopping, entertainment and two hotel complex known as "Jungceylon". This significant development project is located near Patong Beach, Phuket, Thailand and has an estimated gross area of nearly 2.2 million square feet with the two hotels having a combined total of more than 400 rooms.

Hotel

With a successful first quarter, accompanied with the positive trends of 2005 continuing to flow through to this current year, M&C remains confident to make further progress. The outlook remains in line with its expectations at the last year end. M&C's strong performance has been achieved by its strategy of being both an owner and operator of an attractive portfolio of hotels, with good exposure to improving markets.

Group Prospects

With the line-up of exciting new launches and redevelopment opportunities, the Group is confident of remaining profitable during the next 12 months.

In comparing this with pre-tax profit for Q1 2006 of \$27 million, Hotel Operations would have increased by 38%.

Excluding this one-off insurance receipt, the Group's total pre-tax profit for Q1 2006 would have increased by 45% to \$75.9 million (adjusted 2005: \$52.3 million).

14. In the review of performance, the factors leading to any material changes in contributions to turnover and earnings by the business or geographical segments.

Property Development

Revenue and pre-tax profit increased by \$8.1 million (or 12.2%) to \$74.5 million (2005: \$66.4 million) and by \$23.6 million (or 159.5%) to \$38.4 million (restated 2005: \$14.8 million) respectively. Projects that contributed to both revenue and profit include City Square Residences, Savannah CondoPark, The Pier at Robertson and sale of the first tranche of apartments in Zenith Residences, Sydney held by its subsidiary, Millennium & Copthorne Hotels plc. In accordance to the Group's policy of equity accounting for the results of its jointly-controlled entities, whilst revenue from The Sail @ Marina Bay, Parc Emily and Edelweiss Park has not been consolidated into the Group's total revenue, the Group's share of profits arising from these joint venture developments has been included in pre-tax profit.

The increase in revenue is mainly attributable to contributions from City Square Residences and sale of apartments in Sydney.

The increase in pre-tax profit is in-line with the improvement in revenue. In addition, profit recognised for The Sail @ Marina Bay and Parc Emily as well as higher contributions from Edelweiss Park also resulted in the higher pre-tax profit.

Hotel Operations

Revenue improved by \$15.1 million (or 3.7%) to \$418.3 million (2005: \$403.2 million) mainly due to improvement in RevPAR which increased by 13.7% for the Group.

Pre-tax profit decreased by \$32.3 million (or 54.5%) to \$27.0 million (restated 2005: \$59.3 million) mainly on account of one-off profit recognition of £12.8 million (approximately S\$39.8 million) from the settlement of Millenium Hilton insurance dispute in Q1 2005.

Rental Properties

Revenue remained relatively unchanged at \$40.5 million (2005: \$39.8 million) whilst pre-tax profit fell to \$2.4 million (restated 2005: \$16.8 million). Higher profit achieved in 2005 was mainly due to the disposal of MyeongDong Central Building in Seoul, held by a jointly-controlled entity in which the Group has a 50% interest.

Others

Revenue, comprising mainly income from hotel management, building maintenance contracts, project management, club operations and dividend income, has remained unchanged at \$8.1 million (2005: \$8.6 million).

Pre-tax profit for this segment increased by \$6.9 million to \$8.1 million (2005: \$1.2 million). The increase resulted from higher unrealised gain on equities held for trading, exchange gain (mainly unrealised) on foreign currency denominated loans and higher management fees.

MILLENNIUM & COPTHORNE HOTELS PLC M&C Hotels in Joint Venture to develop a new Millennium hotel in Beijing, the People's Republic of China

Millennium & Copthorne Hotels plc ("M&C") is pleased to announce that its wholly-owned subsidiary, Millennium & Copthorne Hotels (Hong Kong) Limited ("M&C(HK)") has entered into a Definitive Framework Agreement (the "DFA") with Beijing Xiangjiang Xingli Real Estate Development Co., Ltd. ("XJXL") and other parties. The DFA sets out the parties' intention to enter into joint venture arrangements to develop and operate a 5-star hotel (the "Hotel") right in the heart of the new Central Business District in Beijing, the People's Republic of China.

The Hotel, to be called The Millennium Beijing, will comprise 28 levels with 520 guest rooms. The Hotel is located at the Beijing Fortune Plaza mixed-use development site along Dongsanhuan North Road in Chaoyang District, which is in the heart of the new Beijing Central Business District, and is also in close proximity to the China World Trade Centre. Currently under construction, the Hotel is scheduled to open in the first half of 2008, in advance of the Beijing Olympics. Construction of the frame of the building has already been completed.

Subject to certain conditions, M&C will initially hold 30% of the Joint Venture although this is expected to increase to 70% by 31 December 2006. The total development cost is expected to be approximately RMB 1.13 billion (approximately £77 million). Assuming M&C increases its share of the Joint Venture to 70%, its proportionate share of these costs will be approximately £53.9 million. The Joint Venture parties intend to fund the Joint Venture by way of capital contributions, shareholders' loans and financing from external financial institutions.

The Millennium Beijing will become M&C's second hotel in China, following the announcement of the management contract to operate The Millennium Hongqiao Shanghai, a 350 bedroom 5-star property scheduled to open around August this year.

Mr Kwek Leng Beng, Chairman of M&C Hotels, commented:

"Securing the Millennium Beijing anchors our presence in China and is a key development in our stated aim to grow in Asia. The long term prospects for this property are excellent due to the economic growth prospects both in China and especially in the Beijing Central Business District. Furthermore, visibility for Beijing will be enhanced significantly with the impending Olympics in 2008, leading to more visitor arrivals to the capital."

M&C Hotels in Joint Venture to develop a new Millennium hotel in Beijing, the People's Republic of China

Millennium & Copthorne Hotels plc ("M&C Hotels") today announced its entry into a joint venture for the development of a Millennium hotel in Beijing, the People's Republic of China (PRC).

The 5-star Hotel, to be called the Millennium Beijing (the "Hotel"), will comprise 28 levels with 520 guest rooms. The Hotel is located at the Fortune Plaza mixed-use development site along Dongsanhuan North Road in Chaoyang District, which is in the very heart of the new Beijing Central Business District. The Hotel is also in close proximity to the China World Trade Centre. Currently under construction, the Hotel is scheduled for opening in the first half of 2008, in advance of the Beijing Olympics. Construction of the frame of the building has already been completed.

The estimated development cost of the Hotel inclusive of construction financing costs, transaction taxes, and pre-opening expenses is approximately RMB 1.13 billion (approximately SGD\$223 million).

Subject to the completion of certain conditions precedent, including the establishment of the Sino-foreign equity joint venture company (the "JVCO") as the vehicle to own and develop the Hotel and the receipt of approvals from the relevant PRC governmental authorities, M&C Hotels' wholly-owned subsidiary, Millennium & Copthorne Hotels (Hong Kong) Limited ("M&C(HK)") will initially hold a 30% equity interest in the JVCO while the remaining 70% equity interest shall be held by its PRC joint venture party, Beijing Xiangjiang Xingli Real Estate Development Co., Ltd. ("XJXL"). It is anticipated that the fulfillment of these conditions precedent would occur by September 2006.

Pursuant to the various agreements entered between the joint venture parties, it is further contemplated that subject to the fulfillment of a further set of conditions precedent, M&C(HK) will increase its equity interest in the JVCO up to 70% and correspondingly, XJXL will reduce its equity interest to 30%. This increase in M&C (HK)'s shareholding in the JVCO is expected to occur by the end of 2006.

"Securing the Millennium Beijing anchors our presence in China and is a key development in our stated aim to grow in Asia. The long term prospects for this property are excellent due to the economic growth prospects both in China and especially in the Beijing Central Business District. Furthermore, visibility for Beijing will be enhanced significantly with the impending Olympics in 2008, leading to more visitor arrivals to the capital," said Mr Kwek Leng Beng, Chairman of M&C Hotels.

"With the Millennium Hongqiao Shanghai opening in August this year, the addition of Millennium Beijing to our China presence will augment brand awareness of our hotel group in a country with a substantial outbound market that is growing at a vigorous pace. This hotel will help to define M&C Hotels in the China marketplace, which saw over 35 million visitors in 2005, reflecting a 18% growth from the previous year" added Mr Vincent Yeo, President, Asia Pacific Hotels for M&C Hotels.

The PRC is one of Singapore's largest visitor-generating markets with 91,000 tourists arriving in the country in March of this year alone. Last year, Singapore received over 1 million PRC visitors, a 34.7% growth year on year.

The London-listed M&C Hotels, a 53% subsidiary of City Developments Limited and part of the Hong Leong Group Singapore, operates in major gateway cities in 18 countries with a portfolio of nearly 100 hotels. It is one of the world's largest hotel chains and is Singapore's largest international hotel group.

XJXL, a Sino-foreign co-operative joint venture established by Beijing Xingli Real Estate Development Co., Ltd. and H.K.I. Development Limited in the PRC, is also the developer of the Fortune Plaza mixed-use development scheme on which the Hotel is sited.
